

Add New Content to Your Account

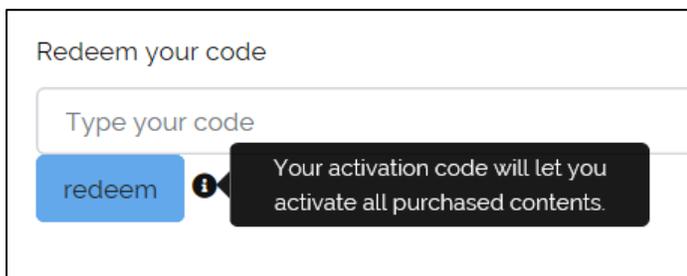

This tutorial provides instructions for adding additional content to your account in ELEteca, the learning management system for Cambridge Spanish materials.

To access **ELEteca**, go to <https://cambridgespanish.edinumen.es> and log in.

Click **Activate contents** in the bar on the left side of the screen.

Type your Activation code and click **redeem**. Activation codes are printed on the inside front cover of the Teacher's Edition, student books with activation code included, on the activation card you received with purchase, or you may receive an activation code from your school or Cambridge specialist. This code will give you access to all materials purchased.

A screenshot of a web form titled 'Redeem your code'. It features a text input field with the placeholder 'Type your code'. Below the field is a blue button labeled 'redeem'. To the right of the button is a black information box with a white 'i' icon and the text: 'Your activation code will let you activate all purchased contents.'
